

2010 Annual Meeting October 15-17, 2010

The 2010 Annual Meeting of the Massachusetts Academy of Dermatology will be held on October 15-17 at the Portland Regency Hotel & Spa in Portland, ME. Located in the heart of the Old Port district, The Regency (theregency.com) is a charming, beautifully restored property that is a member of the Historic Hotels of America.

Our meeting is jointly sponsored by ProMutual Group and the Massachusetts Academy of Dermatology. This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education. ProMutual Group is accredited by the ACCME to provide continuing medical education for physicians.

Following tradition, the weekend program includes clinical presentations, social events, and opportunities for shopping and sightseeing in the region. Old Port provides a myriad of antique stores, retail shops, Casco Bay cruises and interesting restaurants. The Freeport outlets are only a 30-minute drive.

A distinguished group of speakers will provide a diversified speaking program on topics we see in our daily practices. We will hold cocktail receptions on Friday and Saturday evenings. The preliminary speaking program is listed below.

We have reserved a block of rooms at The Regency for the meeting at a rate of \$189 plus taxes (per night, single or double occupancy). These rooms are available on a first come first serve basis. The deadline for reserving one of these rooms is September 15th. Room reservations should be made directly with the hotel by calling the toll free reservation desk at 800-727-3436 and identify yourself as belonging to the Massachusetts Academy of Dermatology.

For those who prefer other accommodations there are many hotels and bed and breakfast inns in the area. There are a number of good websites about the region including portlandmaine.com and visitportland.com.

In recent years our Annual Meeting has enjoyed an outstanding reputation for providing a high quality educational program, in beautiful settings. This is our major initiative and provides an opportunity for us to get together with colleagues for a weekend combining clinical education, business, and socializing. Portland promises to be an ideal setting for another outstanding meeting.

I look forward to seeing you there.

Yours truly,
Louis Kuchnir, M.D.
President
