

# Massachusetts Academy of Dermatology

*33rd Annual Meeting*

October 12-14, 2007

Wentworth-By-The-Sea  
Newcastle, New Hampshire

On behalf of the Board of Directors of the Massachusetts Academy of Dermatology, I want to welcome you to the 33<sup>rd</sup> Annual Meeting of the Massachusetts Academy of Dermatology. I look forward to greeting all of you.

We believe we have done an excellent job of planning for this meeting with a program of topics that are of interest and value to all of us, as well as a group of outstanding speakers to cover these subjects. We hope that this weekend will be a rewarding educational experience for you as well as an enjoyable weekend for you and your family.

I want to thank each of our guest speakers for accepting our invitation to this meeting. Their willingness to depart from their busy schedules and personal time and, in some cases, come a long way to speak to us is greatly appreciated. All of us hope to learn from their experiences, interests, and knowledge so that we may become better clinicians.

We are most fortunate to enjoy the support of corporate sponsors. The Annual Meeting could not take place without their continued generosity. Please try to show your appreciation of their support to the company representatives at this meeting and when they visit you in your offices.

Our 2008 Spring Meeting will be held on Wednesday, May 14th at the Massachusetts Medical Society in Waltham, Massachusetts. Our 2008 Annual Meeting will take place at The Woodstock Inn in Woodstock, Vermont on September 19-21. Please mark your calendars and plan to attend.

Also, please tell your colleagues how much you and your family enjoyed this weekend and encourage them to attend next year.

Sincerely,  
Kathryn Bowers, MD  
President
