- 7 transplants; M>F; aggressive involving lymphatics, mucosa, visceral \_\_\_\_\_
- 8 DDx: (blank)

Greetings!

On behalf of the Board of Directors of the Massachusetts Academy of Dermatology, I want to welcome you to the 36th Annual Meeting of the Massachusetts Academy of Dermatology. I look forward to greeting all of you.

We believe we have done an excellent job of planning for this meeting with a program of topics that are of interest and value to all of us, as well as a group of outstanding speakers to cover these subjects. We hope that this weekend will be a rewarding educational experience for you as well as an enjoyable weekend for you and your family.

We are indebted to each of guest speakers for accepting our invitation to this meeting. Their willingness to depart from their busy schedules and personal time to speak to us is greatly appreciated. All of us hope to learn from their experiences, interests, and knowledge so that we may become better clinicians.

We are most fortunate to enjoy the support of corporate sponsors. The Annual Meeting could not take place without their continued generosity. Please try to show your appreciation of their support to the company representatives at this meeting and when they visit you in your offices.

Our 2011 Spring Meeting will be held on Wednesday, April 13<sup>th</sup> at the Massachusetts Medical Society in Waltham, Massachusetts. Please mark your calendars and plan to attend.

Also, please tell your colleagues how much you and your family enjoyed this weekend and encourage them to attend next year.

Sincerely,  
Louis Kuchnir M.D.  
President

## MAD BOARD OF DIRECTORS

### President

**Massachusetts Academy  
of Dermatology**

### ***Mitzvah (Good Deed) Project***

Once again, the Massachusetts Academy of Dermatology is asking meeting attendees to bring their unopened hotel toiletries so that we can donate them to a local women's shelter.

Thank you.
